PARTNERS

List all planning, construction, and financial partners and their contact information (address, phone, & e-mail), including architects and consultants.

PROJECT INFORMATION *(attach additional pages as necessary)*

Describe the scope of work of the project, including efforts to preserve, repair, or replicate character-defining features.

SIGNIFICANCE OF PROPERTY OR CANDIDATE *(attach additional pages as necessary)*

Is the structure a local or national landmark or in a landmark district? Did the owner or developer take a significant risk with the project?

Were innovative preservation, financing, or partnering techniques employed to make this project happen?

Has the nominated project or property had an impact on the surrounding community?

Were greenbuilding or sustainability initiatives employed in the project?

IMAGES

Nominations must include images that document the entire project, before and after completion. All images should be high-resolution and submitted on a CD.

ATTACHMENTS

Attach additional information on the building's history or significance that is available, such as a Landmark or National Register form.
